Cost of the Course: _____

Rotorworks Inc. will need to receive the following during the course:

1. A copy of your Transport Canada Medical (Category 1 – Commercial, Category 3 – Private)
2. Signed Helicopter Course Outline and Agreement.
3. Payments prior to any training being done.
4. A deposit to hold your place in the course may be requested by Rotorworks. You will be contacted prior to the start date if this is required.

Rotorworks will need your Social Insurance Number for your official tax receipt. Also required will be two of the following: birth certificate, valid passport, baptismal certificate, valid driver’s license or other government approved identification. Transport Canada requires this for identity verification. Two passport photos are also required for licencing applications.

If there are increases in the cost of fuel, maintenance or aircraft there may be an increase in the course costs. Students will be notified prior to any increase.

Making a false statement may lead to candidate not being accepted into the course or being dismissed from the course. Submitting this application does not guarantee the candidate a place on the desired course if it is full. Students must successfully complete all the requirements to hold a helicopter pilot licence.

I have read and understood the above information.

My information provided above is true and correct to the best of my knowledge.
